Totz Connect @home NT Heroes/ week 2 Mary

Application Game : Mary the Bible Hero who said “ USE ME LORD”

Dear Parents

We want to bring across the fact that Mary was willing to do whatever God asked of her (Luke 1:38). Children learn through play. We suggest a fun game called “Use me / Gebruik My”

Mom or Dad asks questions and the kids must respond by raising their hand and saying “USE ME/ GEBRUIK MY” and then go and do what you have asked.

Examples:

Who can go and open the front door?

Who can fetch Mom’s slippers?

Who can help me make some tea?

Affirm your child’s actions during the week when ever you see them modeling this amazing attitude of being willing to do what you ask of them.
