Learning through play:

Use a towel or small blanket and take turns carry everyone in the family like the four friends carried the sick man in today's story.

Questions:

- Is it easy to carry someone like this?
- Do you think the friends got tired?
- What did it feel like to be carried like this?
- Why do you think the sick man was so happy after Jesus healed him?

See craft option attachments

Pray : Thank Jesus for some of our friends and ask Him to help you be a good friend.

Lees die storie : Markus 2: 1-12

Leer deur speel:

Gebruik 'n handdoek of klein kombers om mekaar te dra soos die vriende in vandag se storie.

Bespreek:

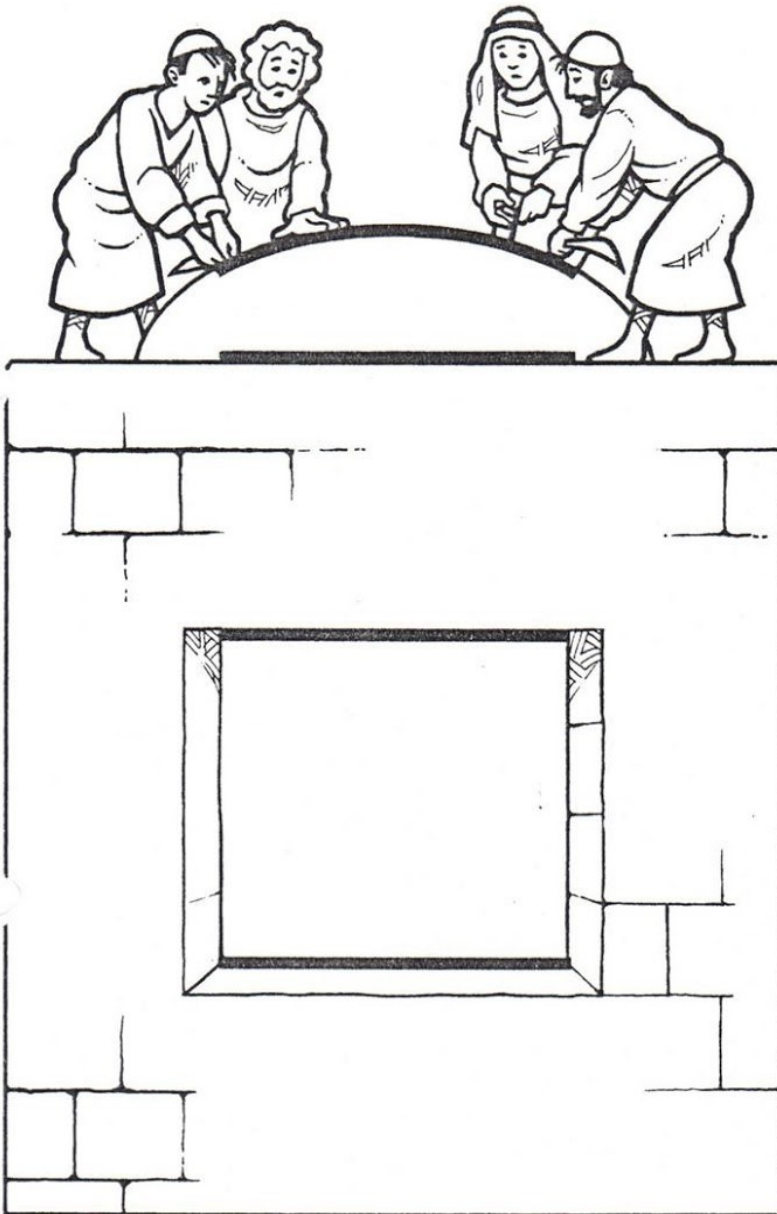

- Is dit maklik om iemand so te dra?
- Dink julle die vriende het dalk moeg?
- Hoe het dit vir jou gevoel om so gedra te word?
- Hoekom dink jy was die siek man so gelukkig toe Jesus hom gesond gemaak het?

Cut out the bookmark

Cut slits into the 4 black, bold lines on the picture and pull the bookmark through to tell the story.

Print on cardboard or paste the sick man onto cardboard to help strengthen the figure. You could also put a split pin in make the figure move from lying to standing. / Druk op karton of versterk die siek man se prent met dikker papier. Jy kan ook 'n "split pin" gebruik om die man te laat beweeg.
