Theme: WALK and TALK

Lesson 1 : You are special to God

Note to parents:

Over the next few weeks we will walk and stop at things God created. What can we learn from these things? Then we can talk back to God about what we have learned. These lessons aim to help develop your child's prayer time with God.

Creative Time:

Go and gather different types of leaves from your garden.

Discuss differences in colour, shape, texture. Talk about the veins and how the leaves produce food for the plant and sends it down to the roots.

Say: To think God cared so much about leaves he created them with so much detail! How much more does God not think you are special—just look how much detail God put into making you!

Bible Point: Ps 139: 14 I am wonderfully Made

Practice Praying:

- Thank God for all the detail of your body
- Tell God what you like to do with your body—e.g thank you Jesus that I can make star jumps!
- Thank you God for my finger prints—There is only one of ME!

Tema: WALK AND TALK (STAP EN GESELS)

Les 1 : Ek is spesiaal vir God

Nota aan ouers:

Die volgende paar weke gaan ons STAP en stop by dinge wat God geskep het. Ons gaan kyk wat hierdie dinge ons kan leer . Dan gaan ons met God GESELS oor wat ons geleer het. Hierdie lessies poog om jou kind se gebeds tyd met God uit te bou.

Kreatiewe Tyd:

Vind verskillende tipes blare in die tuin

Gesels oor verskille in kleur, vorm, tekstuur. Kyk na die are en gesels oor hoe die blare kos maak en dit dan na die plant se wortels stuur.

Sê: Om te dink dat God so baie omgee en moeite doen om blare te skep! Hoeveel meer is jy nie spesiaal vir God nie—kyk net hoe baie detail is in jou lyfie!

Bybel Punt : Ps 139: 14 Ek is wonderbaarlik geskep

Oefen om te bid:

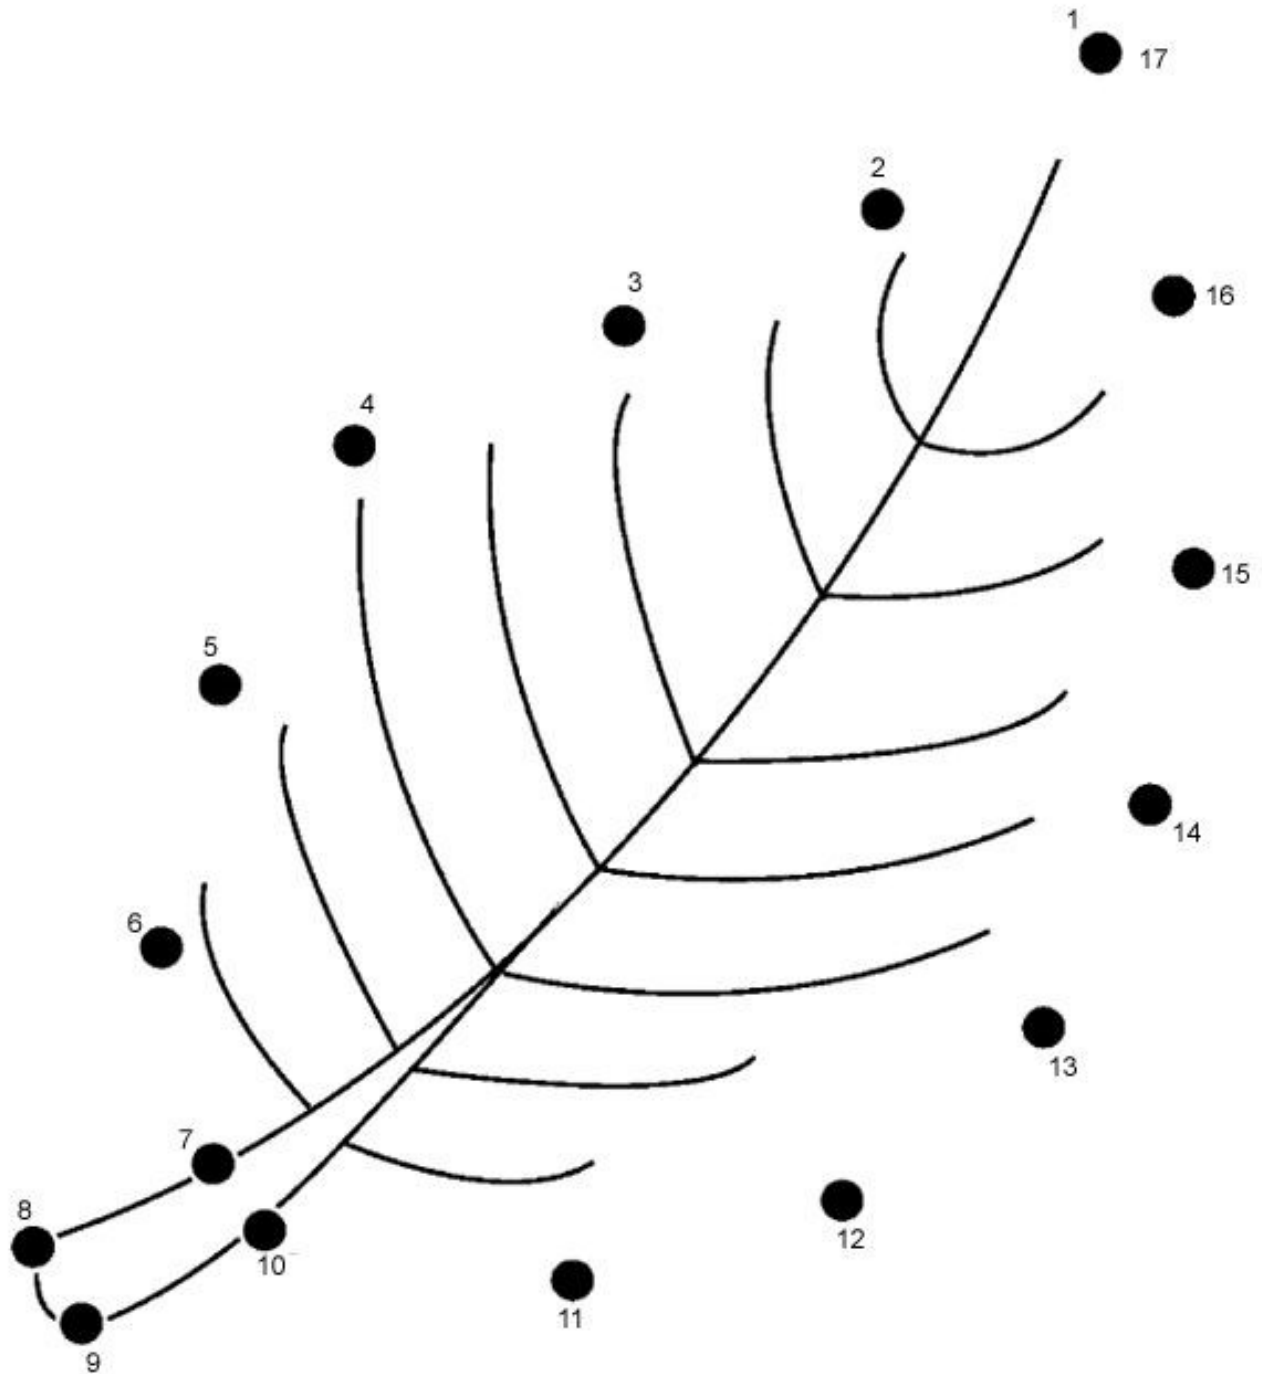

- Sê dankie vir God vir al die detail van jou lyfie.
- Vertel God wat jy van hou om met jou lyfie te doen bv Dankie Jesus dat ek kan bollemakiesies maak.
- Sê dankie vir God vir jou finger afdrucke—daar is net een van Jou.
