Theme: WALK and TALK

Lesson 4 : Be a strong tree—listen to God's advice in the bible

Note to parents:

Over the next few weeks we will walk and stop at things God created. What can we learn from these things? Then we can talk back to God about what we have learned. These lessons aim to help develop your child's prayer time with God.

Creative Time:

- Go and enjoy a family picnic under a big tree
- Climb some trees
- Visit a park and enjoy all the different types of trees

Say: God wants us to be big strong trees—one way of being like that is knowing who to listen to. We should listen to God and not the advice of people who do not love God.

Bible Point: Ps 1: 1-3

Practice Praying:

- Thank God for big strong trees
- Ask God to help you obey Him and listen to Him
- Thank God for giving trees roots to keep them strong and giving us the bible to keep us strong

Tema: WALK AND TALK (STAP EN GESELS)

Les 4 : Ons kan sterk bome wees—luister na God se raad in die bybel

Nota aan ouers:

Die volgende paar weke gaan ons STAP en stop by dinge wat God geskep het. Ons gaan kyk wat hierdie dinge ons kan leer . Dan gaan ons met God GESELS oor wat ons geleer het. Hierdie lessies poog om jou kind se gebeds tyd met God uit te bou.

Kreatiewe Tyd:

- Geniet 'n familie piekniek buite onder n groot boom
- Klim lekker saam in 'n boom
- Gaan besoek 'n park en geniet al die verskillende tipes bome

Gesels: God wil hê ons moet soos groot sterk bome wees—een manier hoe ons dit kan doen is deur na God te luister. Ons moet vir God luister eerder as die raad van mense wat nie lief is vir God nie.

Bybel Punt : Ps 1 : 1-3

Oefen om te bid:

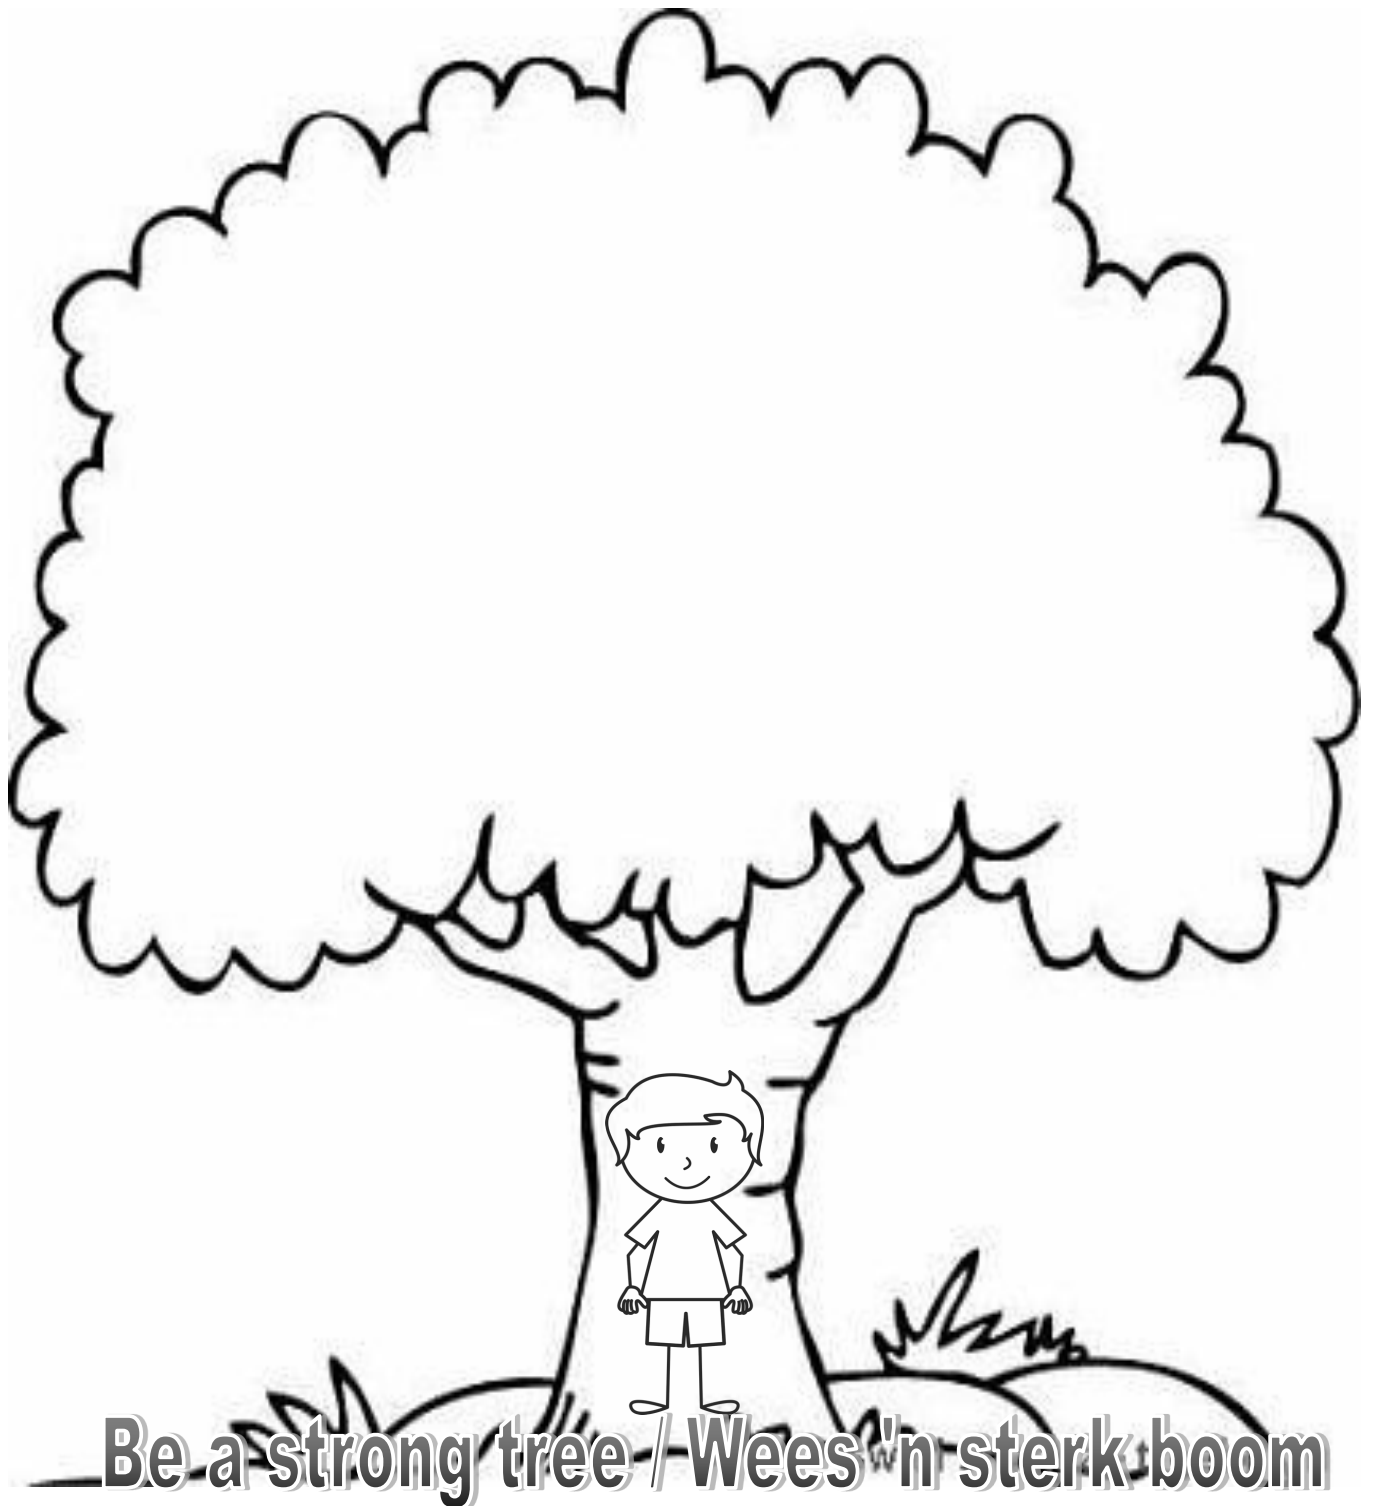

- Sê dankie vir God vir al die wonderlike groot bome om ons.
- Vra God om jou te help sodat jy vir Hom sal luister
- Sê dankie vir God dat Hy wortels gemaak het sodat bome sterk kan staan en dat God vir ons die bybel gegee het sodat ons kan sterk wees ook
