

TOTZ CONNECT God is geduldig!

Kleur die jellie jou gunsteling kleur!

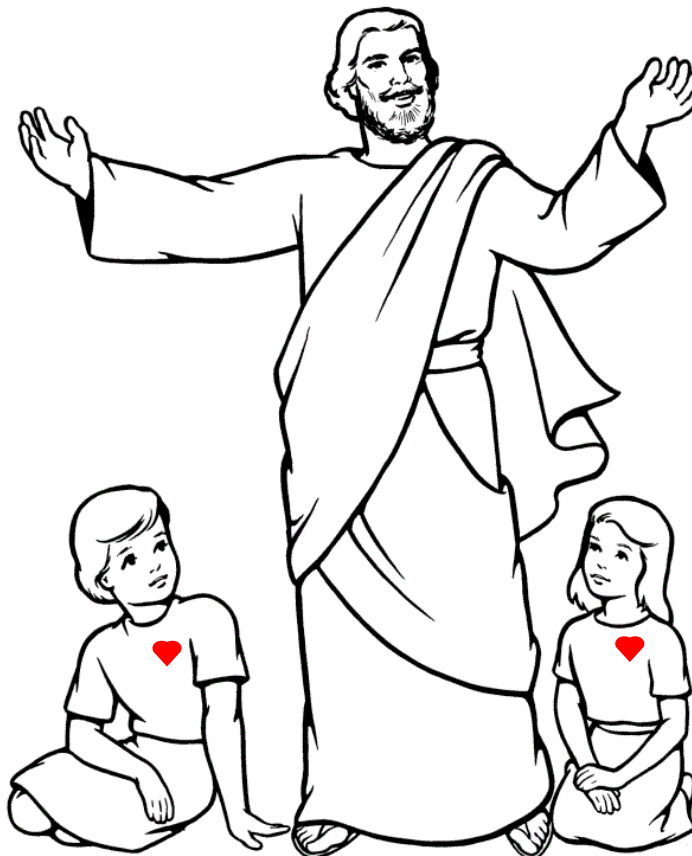

Ons moet wag en geduldig wees voor die jellie reg is om te eet.

Dink aan nog dinge waarvoor ons eers moet wag voor ons dit kan geniet. (bv verjaarsdae / nagereg / weeklikse musiek lessie ens)

As ons geduldig wag kry ons 'n prys! Ons kan die jellie eet en geniet!

Jesus is geduldig sodat nog kinders Hom kan volg. Teken nog kinders en maak 'n rooi hart om te wys hulle kies vir Jesus.

2 Petrus 3:9

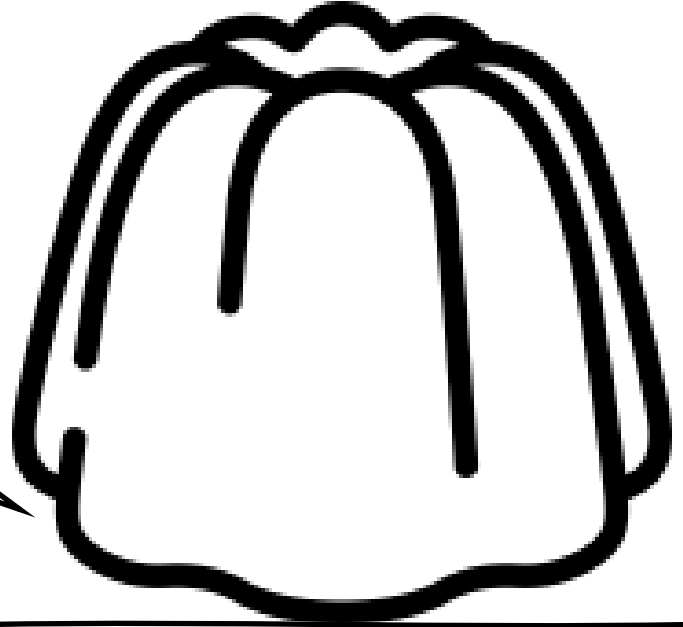

TOTZ CONNECT God is patient!

Colour the jelly your favourite colour!

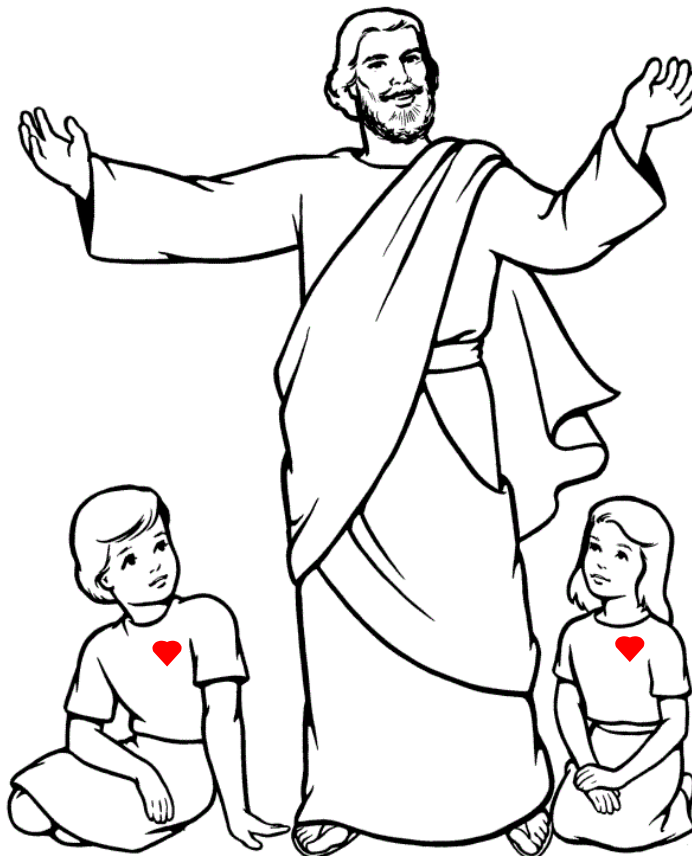

We have to wait and be patient for the jelly to set.

Think of more things you need to wait patiently for before you can enjoy it. (example birthdays / ice pudding after supper / weekly music lesson etc.)

When we have patience we receive a price! ! We can eat the jelly and enjoy it.

Jesus is patient allowing more children to choose to follow Him. Draw in more children with Jesus and draw a red heart on each child to show they have chosen to follow Jesus.

2 Peter 3:9
